Three attempts were made to make contact with our POC the International Association of Firefighters to no avail. A special thank you to our Scholarship Committee. Your efforts to make this happen is greatly appreciated

- The Motion was seconded during Decembers meeting regarding covering the cost for fence to be built around Deckplate (CPO Mess @ Base Portsmouth) was revisited, with minimal additional information. Estimated cost around \$7K. It needs to be determined if government funds are better suited for this project. Topic remain tabled for the time being.

### **New Business**

- Following the installation of our new leadership, a By-Laws review/update is needing to be commenced. GMCS James Proctor and DVC Stephen Malicki are the POC's for this.
- Captain Kallgren presented the CPOA an opportunity to distribute approximately 200 long and short sleeve shirts of various sizes, wearable with the ODU to junior personnel throughout the area. A Motion was seconded to give this opportunity to the CGEA's that our chapter continues to work with (Coastal VA and Tidewater). YNC Jessica Barbay is the POC for this.

### **Voting: Motions seconded and passed/tabled:**
